## Reports

Search [+]

Search Results (0 rows found, page 1 of 0)   

- Applications reports**
  - [DS-2019 Information](#)

*Prints list of participants along with their programs and DS-2019 information. Report filters include US Arrival/Program date, Participant Country, Theme, and Placement City.*
  - [OblastTracking](#)
  - [Vetting Report](#)

*Search and print complete applicant profiles for vetting.*
- Crosscutting reports**
  - [Delegate Profile](#)

*Search and print delegates profiles. Each profile report is at least three pages long and includes application, nomination, and program data.*
  - [Delegate Profile \(Short\)](#)

*Search and print short version of delegate profile, which includes Job Description, State of Work Activities, and Nominator Recommendation.*
  - [Participants Count by Region](#)

*Prints a matrix of participants count (delegates only) by Country and Region of permanent residence. The report includes a count of total delegates to-date as well as yearly breakdown. Cancelled delegates are not counted.*
  - [PODs Flight by Date](#)

*Prints PODs with list of participants, arrival date, host organization, and placement city/state. This report is generally used to print list of upcoming PODs.*
  - [Position Summary](#)

*Prints participants count (delegates only) by their position codes, grouped by position category. Please note Cancelled participants are not counted.*
  - [Position Summary 2](#)

*Prints participants count (delegates only) by positions and position categories in the following sectors: Government, NGOs, Education, and Media. Please note Cancelled participants are not counted.*
  - [State Placements](#)

*Prints tabular list of PODs by placement States. Report data includes POD Name, Host Organization, Arrival Date, Theme, Host City, State, and number of participants in POD.*
- Grants reports**
  - [Crosswalk Detail](#)

*Report on number of planned and scheduled participants along with number of PODs. Data is grouped by Grant, Grantee, Arrival Date, Country, and Host City. Report also includes breakdown of participant counts by logistical organizations ACIE and non-ACIE.*
  - [Crosswalk Summary](#)

*Breakdown of participants by original grant, supplements, and total scheduled by Grantee and logistical organizations. Report also includes the difference of planned and scheduled participants and highlights the value if difference is found.*
- PODs reports**
  - [Grantee Capacity](#)

Search Results (0 rows found, page 1 of 0)

#### Applications reports

##### [DS-2019 Information](#)

Prints list of participants along with their programs and DS-2019 information. Report filters include US Arrival/Program date, Participant Country, Theme, and Placement City.

##### [OblastTracking](#)

##### [Vetting Report](#)

Search and print complete applicant profiles for vetting.

#### Crosscutting reports

##### [Delegate Profile](#)

Search and print delegates profiles. Each profile report is at least three pages long and includes application, nomination, and program data.

##### [Delegate Profile \(Short\)](#)

Search and print short version of delegate profile, which includes Job Description, State of Work Activities, and Nominator Recommendation.

##### [Participants Count by Region](#)

Prints a matrix of participants count (delegates only) by Country and Region of permanent residence. The report includes a count of total delegates to-date as well as yearly breakdown. Cancelled delegates are not counted.

##### [PODs Flight by Date](#)

Prints PODs with list of participants, arrival date, host organization, and placement city/state. This report is generally used to print list of upcoming PODs.

##### [Position Summary](#)

Prints participants count (delegates only) by their position codes, grouped by position category. Please note Cancelled participants are not counted.

##### [Position Summary 2](#)

Prints participants count (delegates only) by positions and position categories in the following sectors: Government, NGOs, Education, and Media. Please note Cancelled participants are not counted.

##### [State Placements](#)

Prints tabular list of PODs by placement States. Report data includes POD Name, Host Organization, Arrival Date, Theme, Host City, State, and number of participants in POD.

#### Grants reports

##### [Crosswalk Detail](#)

Report on number of planned and scheduled participants along with number of PODs. Data is grouped by Grant, Grantee, Arrival Date, Country, and Host City. Report also includes breakdown of participants counts by logistical organizations ACIE and non-ACIE.

##### [Crosswalk Summary](#)

Breakdown of participants by original grant, supplements, and total scheduled by Grantee and logistical organizations. Report also includes the difference of planned and scheduled participants and highlights the value if difference is found.

#### PODs reports

##### [Grantee Capacity](#)

##### [Group List \(Detailed\)](#)

Prints list of groups (PODs), grouped by US arrival date, placement city, and host organization. List includes name, home region, job title, and employer of program participants.

##### [Group List \(Simple\)](#)

Prints list of groups (PODs), grouped by US arrival date and placement city. List includes name, home region, job title, and employer of program participants.

##### [Host Community Report](#)

Prints number of participants and PODs hosted in each U.S. State and City.

##### [HostCapacityTravelDates](#)

##### [Monthly Statistics](#)

Monthly Statistics is a dynamic matrix (Pivot Table) containing count, percentage, and average age of participants grouped by participation type, country, and gender. Summary data (count, percentage, and average age) is broken by travel year.

##### [Operational Logistics List](#)

##### [Participants Count by State](#)

Prints a matrix of participants count by U.S. State (including facilitators and observers) for selected calendar years. The report also includes total participants to-date. Please note Cancelled participants are not counted.

##### [POD Participants](#)

Prints contact information of POD participants, including gender, age, current position, and Open World Leadership Position (OWLP). Report header includes basic information about the POD, including arrival date, placement city, host organization, and contact information of host leader. Both English and Russian versions of data are included in this report.
